Our formula for teaching kids math, the Mathnasium Method™ has transformed the way kids learn math for over a decade across 700+ centers in the US and Canada.</p> <p>We pinpoint your child’s learning needs, meet them where they are, and take them where they need to go. Mathnasium instructors use our unique assessment process to determine (with great accuracy) exactly what each child knows and what they need to learn. Next, we design a customized learning plan for teaching the concepts the student needs to master. It doesn’t stop there – our encouraging instructors continually check progress along the way to make sure kids truly understand and retain the concepts we’ve taught. The results are transformative – kids will see measurable changes in attitude, confidence, and school progress.</p>	<p>\$489 Fair Market Value</p> <p>\$90 Opening Bid</p> <p>\$10 Increments</p>
