

## **GPES PTA'S SPRING STEAM NIGHT** **CATHY FINK & MARCY MARXER**

### **Zoom a Little Zoom, A Ride Through Science**

Join us for a special GPES concert by children's music GRAMMY® Award winners, Cathy Fink & Marcy Marxer. They will share the music from their latest recording "Zoom A Little Zoom! A Ride Through Science". With songs like "Constellation Jig", "Why Does the Sun Shine?" and "What Makes the Lightning?" the science will sneak in as these veteran performers engage and entertain the kids with music. The CD comes with activities designed by the Boston Museum of Science – perfect timing if you need an idea for the GPES science fair!

Cathy and Marcy are trailblazers in children's and family music, their relationship with family audiences spans over 30 years of live performances. They play dozens of instruments from banjo to mandolin to rockin' electric guitar, steel drum and ukulele. You may know them as artistic directors of Strathmore's annual Ukefest. Two GRAMMY® Awards (and 14 nominations), Parents' Choice Awards, American Library Association Awards, and more all attest to the superb quality of their body of work.

Brought to you by the GPES PTA Rocky Fund
